

4 Week Challenge

South London

Challenge an adult that you know to take the 4 week leadership challenge so they can experience the excitement of being involved in scouting and earn yourself an exclusive badge. This badge can be gained by adults and young people.

Badge requirements:

- The 4 week challenge badge can be awarded to any existing adult or young person in scouting who successfully encourages someone to take the 4 week challenge
- The badge can be awarded once the new adult has completed the 4 week challenge

The badge can be awarded multiple times but only one badge can be worn on the uniform.

If the person who takes the challenge takes on a formal adult appointment after their 4 weeks a recruiter badge may also be awarded.

Where is the badge worn?

Young people...

The badge is to be worn on the left arm amongst the activity badges that the young person has earned.

Adults...

The badge can be worn on the right arm just below the District and County badges.

Volunteering is great fun and doesn't mean making a regular commitment
