

Growing stronger together

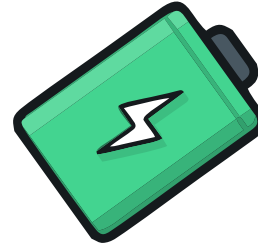

Which areas of our growing stronger together goals are you making happen in your group:

adventurous programmes

celebrating success

development opportunities for our volunteers and young leaders

planning for future growth and sustainability

membership retention and recruitment

South London

Our scout group

Get the data you need

Using membership numbers will help you plan for growth. You can get the data you need from your annual census submission and your section's membership records

Our family of scouting

Our scout group is made up of:

We have beavers

We have an executive committee

We have cubs

We have a scout active support unit

We have scouts

Our team

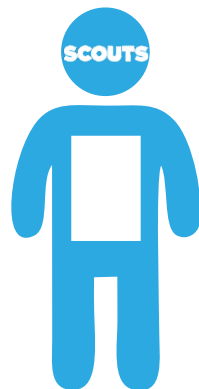

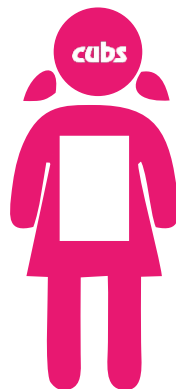

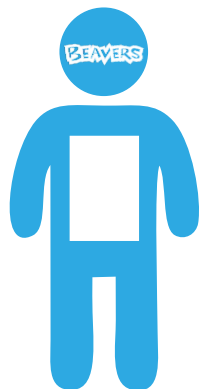

We have inspiration leaders.

Beavers leadership team

Cubs leadership team

Scouts leadership team

Our members

AMAZING!

That's young people gain skills for life and discovering their potential!

Want to track your membership?

There's a handy membership tracking tool for recording membership numbers over time on our website!

We have young leaders.

We have section assistants.

Enquires to join

How many young people are currently waiting to join?

We currently have...

waiting to join us

Of which...

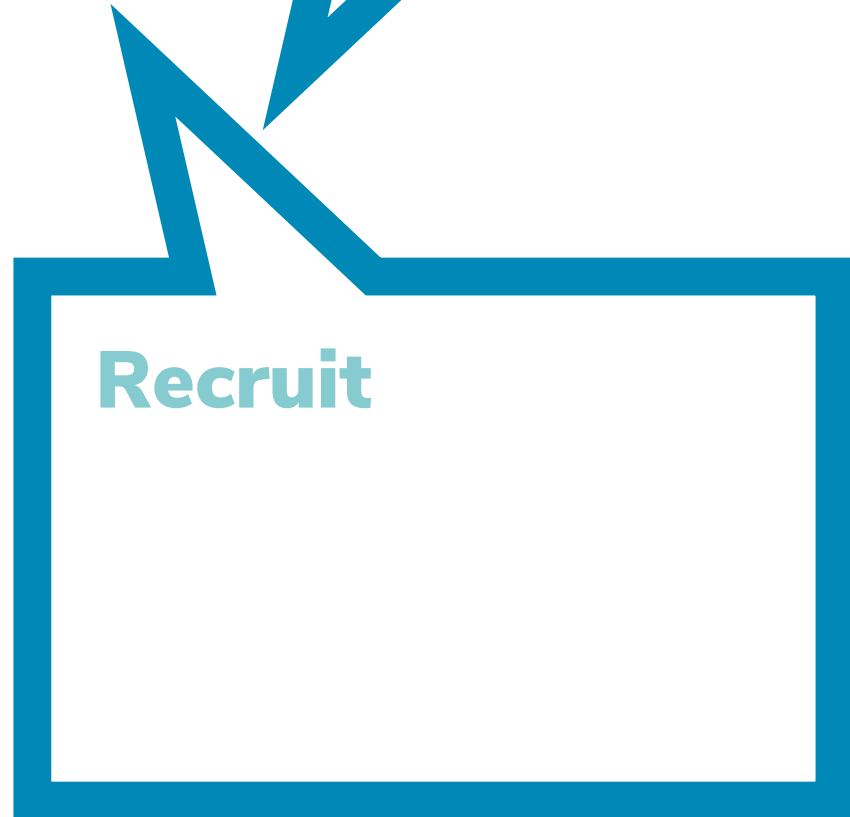

are in the age range of the section

RE: join - tain - cruit

List your ideas to get your members that have left to rejoin, to ensure your members stay and move to the next section and how you can recruit more young people

Ideas and inspiration

List your ideas against the growth areas you want to focus on - big or small
Why not take the opportunity to find out what has worked well for others?

Plan to succeed

List your top five priorities to help your group succeed...

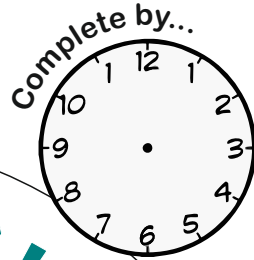

Give it some detail

Write down your top 3 to 5 goals for the next year.
Use the time line to think about what you will do when.

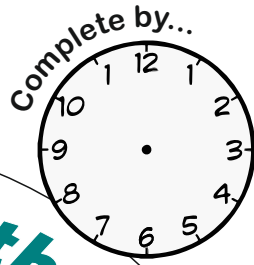

In the next three months...

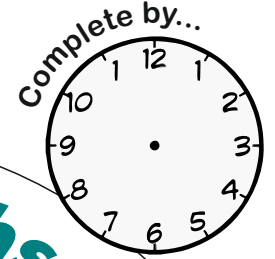

This month (our quick win)...

In the next six months...

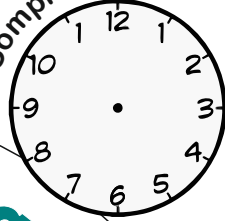

Within nine months...

By this time next year...

Complete by...

One for luck (if we can fit it in)...
